Dear Local Community Friend,

Although December is still quite a bit away, plans have been in the works for several months now on our 10th Anniversary Production of *The Greater Salem Ballet Company's* (GSBC) *Nutcracker*, and we need your help! We made it through 2020 with a world-wide pandemic and produced a virtual Nutcracker that gave our students an opportunity to perform The Nutcracker in a time when everything was so unsure! Now we are back in full swing at the theater again with the dancers on stage where they belong! The GSBC, under the direction of Seanna Chmura, Susan Faulkner and Katie Machado all from A Performing Arts Academy in Salem, has given re-birth to the former Salem Ballet Company. The original dance company was formed in 1974 by Miss Georgia Deane Young and Miss Helen Deane Bassett of The Deane School of Dance (Great Aunt and Grandmother of Miss Seanna and childhood dance teachers and mentors of Miss Susan and Miss Katie). Following in the tradition, our mission as the GSBC is to give dance students an opportunity to perform locally in professional quality productions while learning in a warm, encouraging, and nurturing environment which is greatly beneficial in the lives of children, teens and young adults! Thank you in advance for your support!

Miss Seanna and Miss Susan bring over 30 years of experience in producing an intricate winter production of this magnitude, mainly the Nutcracker, with Miss Katie in her 10th year, but now with a fresh new start including new direction, choreography, props, sets and costumes which is an enormous investment. We invite you to join us on this dance journey! There is definitely something near and dear to our hearts to produce this Holiday Classic!

Your sponsorship is essential to the possibility and success of this production.

Here's how you can directly help sponsor the production: (sponsors will be given visible recognition)

- * *Cash sponsorship* helps underwrite the cost of this enormous production and will go directly toward expenses including, but not limited to production venue, costumes, props & sets, guest performers and choreographers, technical and production staff, advertising, and administrative costs.
